## FOREWORD

---

The cattle consigned to this sale are a selected lot from breeders who are prominent in the industry whose guarantee is good and who breed high-class cattle. You will note that in nearly every case the animal to be sold was bred by the man or the firm that is selling it in this sale. These are not speculator's cattle but they are cattle bred by responsible and reputable men and they are the kind to make profit for their purchasers.

These cattle have been selected for their value to farmer breeders or ranchers. The bulls are old enough and in good condition for immediate service. The females are practically all close to calving. Their pedigrees are good. The cattle are first class in every respect. Here is an excellent place for a rancher to buy a carload of bulls, the farmer to buy a bull or some foundation females or the established breeder to strengthen his herd.

WILL JOHNSON of the Shorthorn World.

## Guarantee Endorsed by American Short-horn Breeders' Association

---

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for re-trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is cooperating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.

6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

7. **TERMS:** Cash, except other arrangements with consignors are made before sale. All settlements to be made with The Kraschel Auction Company of Harlan, Iowa, Sale Managers, immediately after close of sale, but it shall be expressly understood that said Company assumes no liability, legal or otherwise and that the above guarantees and terms shall constitute a contract between the consignor and purchaser of each lot.

**AUCTIONEER**—N. G. Kraschel.

**FIELD REPRESENTATIVES**—Will Johnson of the Shorthorn World; J. E. Halsey and Matt White of the Iowa Homestead and H. C. McKelvie of the Nebraska Farmer.

Shipping vouchers will be attached to bills of lading on all less than car-load shipments routed over those railroads granting one-half freight rate on pure bred cattle.

All statements appearing in footnotes to pedigrees were made by the consignors.
